- The Chairmen of the respective departments are required to depute necessary staff along-with stationery and question papers to the venue.
- It is the responsibility of the Chairmen of the respective departments to ensure smooth and secure conduct of the test.
- The Chairmen of the respective departments are advised to inform the successful candidates regarding their interviews after marking of tests on or before Saturday, December 25, 2021; so that the candidates have ample time for the preparation of interviews. Kindly advise the shortlisted candidates to bring all necessary documents on the day of interview.
- The interviews are required to be conducted in line with the schedule that is already shared by the admission cell. The Chairmen of Computer Science (KSK) and Mechatronics (FSD) are advised to make arrangements for conduct of interviews in Main Campus to facilitate the candidates, since there is a possibility that a number of candidates are eligible for Mechatronics as well as Computer Science.
